SWEP Communique – Bed stick update

Update to the SWEP funding of Bed sticks

SWEP acknowledges that there are risks related to the use of single point sticks, or bed sticks without a ball top. As a result, SWEP will no longer be providing subsidy funding for certain bed sticks. The following items remain available and suitable for SWEP funding.

The following single point bed sticks are no longer available for funding through SWEP.

Any questions please contact Donna Markham, Chief Allied Health Officer at swepcaho@bhs.org.au

Kind regards,
Donna Markham
