

Dear Valued Customer,

We're reaching out to let you know about an exciting development at BUDDIES™ headquarters, where we've been working hard to provide you with better products and a better plan for the future.

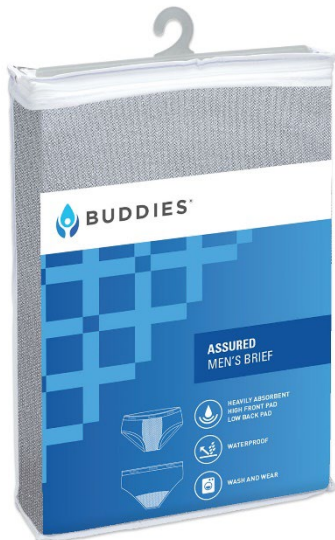

### New Sustainable Packaging

BUDDIES™ Briefs have now moved to 100% Recyclable Packaging. Australia has set criteria in an overall strategy developed by APCO (Australian Packaging Covenant Organisation), with National Packaging Targets for 2025. Sleep Corp® is currently performing at "Beyond Best Practice" as a reflection of the steps we've taken towards transitioning our packaging from already recyclable PEVA bags, to cardboard boxes.

This will also assist in your companies' personal environmental goals and commitments, and will help customers choose a more environmentally friendly option.

**Measurements and Size Chart**

We wanted to provide some clarity on the measurement system. It's now easier for customers to choose the underwear that fits them best. The wearer can now choose the right briefs based on their **waist circumference**.

This ensures the briefs have the recommended 'snug-fit' to work effectively. Please refer to the updated sizing chart below, which you will find on the packaging and associated documentation.

SIZE	XS	S	M	L	XL	2XL	3XL	4XL	5XL	6XL	7XL
